

ZVconnect™
Wireless Presentation System

The simplest, most robust conference room video extension solution on the market.

The Transmitter plugs directly into your laptop's video output, and the Receiver into the HDMI video input of your display. No drivers or software to install. No USB or WiFi limitations. If your laptop can display it, it will be sent to the display.

Autodiscovery plug and play

ZVconnect receivers will auto-discover any ZVconnect transmitters in range. No WiFi network required. Just plug the transmitter into the source and you're ready to go.

Multiple Connection Options

Directly connect to either HDMI devices or USB-C devices such as MacBooks, Chrome tablets and Smartphones that support video output.

HD Formats

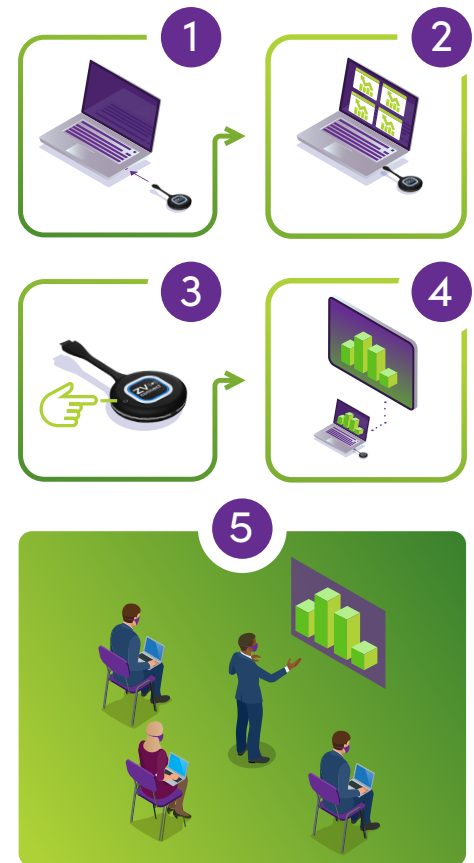

Transmitter supports inputs up to 1920 x 1200 at 60 Hz.*
Receiver scales output up to 3840 x 2160 at 60 Hz.*

Multi-view

Supports side by side multiview allowing 2 transmitters to be viewed simultaneously.

Control

Simple button press on the transmitter to begin sharing. Long button press to initiate multi-view feature.

Features:

- True Plug & Play
- Zero Software
- Zero Network Setup
- Point to Point Connection
- WPA2 AES-CCMP Encryption

Models:

- ZVCTXHDMI**
Wireless transmitter with HDMI input
- ZVCTXUSBC**
Wireless transmitter with USB-C input

ZVCRXHDMI

- Wireless receiver with HDMI output
- ZVCCHARGE**
Optional charging cradle with support for 4 ZVconnect transmitters

ZVconnect™

Wireless Presentation System

Connections:

1. .USB-C or HDMI Connector
2. Power button
3. Transmit button
4. USB port for charging

ZeeVee is a leading provider of AV distribution technology. The company has transformed the digital video industry with its award-winning encoders, decoders and software solutions for the pro AV and IT marketplace. Integrators and consultants rely on ZeeVee for its innovative, cost-effective and easy to install AVoIP and RF distribution platforms for their corporate, higher education, government, healthcare, casino, museum, hospitality and retail customers. A founding member of the SDVoE Alliance and a PSNI Global Alliance Preferred Vendor Partner, ZeeVee holds a GSA schedule, and its products are TAA-compliant. ZeeVee is headquartered in the greater Boston area with European HQ in Augsburg, Germany and SE Asian offices in Singapore.

Transmitters

Model	ZVCTXHDMI	ZVCTXUSBC
